## The Vineyards

Since the first Chardonnays by Brian Crosier of Petaluma in 1980's Cowra has been famous for consistent Chardonnay of all styles. Rosnay has 4 hectares of Chardonnay planted in 1997 on a north west sloping sandy loam soil.

## 2012 Vintage Notes

Rosnay Chardonnay is a classic example of Cowra's speciality. 2012 was a very cool vintage, resulting in more "cool climate" characteristics than in previous vintages. The wine was made with minimal intervention. Unwooded, it is a tight, clean, "classic chardonnay" style, offering a perfect balance between fruit, acidity and sweetness.
